Inspired by what drives you

Smart, safe and sophisticated, every drive is an inspiration with the powerful Figo Aspire.

3

4-5 Quality

The Figo Aspire exudes distinction. Its stylish, aerodynamic exteriors and spacious, premium interiors were built to carry you with confidence.

6-7 Green

Uncompromisingly engineered, the Figo Aspire is both powerful and fuel efficient - giving you the best of both worlds.

8-9 Smart

The Figo Aspire is all about smart features to help you get more out of life and make every journey effortless and exciting.

10-11 Safety

When it comes to safety, the Figo Aspire is in a class of its own, delivering the highest levels of protection for the entire family.

12-13 Accessories & Colour

14-15 Specifications

More than style. Real substance.

4

Classy and powerful, the Figo Aspire is designed to exude success. Its aerodynamically stylish exteriors and spaciouly premium interiors are built to carry you with panache.

5

Dynamic Exterior Design

Figo Aspire delivers a premium design and styling you normally find only in cars from a higher segment. Its bold, dynamic and elegant exterior conveys a sense of precision, efficiency and sophistication.

Premium Interior Styling

Go on. Feel the luxury. Figo Aspire's exceptional interior craftsmanship, carefully selected colours and materials, and comfortable first-in-class leather seats surround you with a sense of sophistication. And more space means more comfort. The spacious front and rear seats with adjustable headrests offer ample support, so everyone can ride in comfort.

Smart Storage

With a large and spacious boot, specialised compartments in the doors and long floor console, the Figo Aspire has a place for everything.

More than smart. Ingenious.

8

The Figo Aspire is all about smart features to help you get more out of life and make every journey effortless and exciting.

9

MyFord Dock®

Figo Aspire's first-in-class MyFord Dock® allows you to store, mount and charge your mobile phone, MP3 player or satellite navigation system, and integrate these devices into the car's entertainment system. And because it's mounted on your dashboard, it's easily accessible.

SYNC® with AppLink™

Just talk and things will happen with our voice-activated SYNC® system. Call friends and family or listen to your favourite songs hands free. You can even have your text messages read out to you. And in case of any emergency, SYNC's Emergency Assistance will use your paired phone to automatically call emergency services and give your GPS location.

USB and Aux-In

With built-in USB and Aux-in, the Figo Aspire also lets you effortlessly integrate your iPod™ or phone with the Figo Aspire Audio System.

Ford MyKey®

Figo Aspire's first-in-class Ford MyKey® technology also provides an extra element of safety, allowing drivers to set speed warnings, activate a seat belt reminder, limit the car's top speed as well as audio volume.

Power-fold Mirrors

Even the mirrors are smart. Great in busy city traffic, Figo Aspire's power-fold mirrors can be folded inwards with a touch of a button to minimise the risk of damage. Either while driving or while parking.

Automatic Climate Control

Figo Aspire boasts the best-in-class climate control system. Even in the heat of summer, once you set a temperature, the system maintains it with outstanding precision, ensuring superior comfort for everyone. And because it's super-efficient, you save fuel.

*Bluetooth® is a registered trademark of Bluetooth® SIG Inc. and is used under license. Operating certain parts of the SYNC® system while driving can distract your attention away from the road and may be prohibited by local laws. Do not change system settings or enter data non-verbally (using your hands) while driving. Stop the vehicle in a safe and legal manner before attempting these operations. Always make sure you comply with local road laws/policies when using the SYNC® system. SYNC® promotes safer driving by ensuring hands are on wheels and eyes on road. Ford does not recommend using mobile phone while driving. iPod is a registered trademark of Apple Computer, Inc. Mobile handset images used are for reference purpose only.

More than peace of mind. Total confidence.

10

When it comes to safety, the Figo Aspire is a class apart. With 6 airbags, including first-in-class side and curtain airbags, it delivers the highest levels of protection for you and your family.

6-Airbags

Providing extra protection to your passengers and greater peace of mind, the Figo Aspire offers a total of six airbags – including first-in-class side and curtain airbags.

High-Strength Steel Cage

Constructed from high-strength steel, Figo Aspire's robust body structure offers another level of protection for you and your loved ones.

ABS with EBD

Our Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) is another smart feature that puts your safety first. The system balances the brake force between front and rear wheels to prevent the wheels from locking.

Hill Launch Assist

If you're driving uphill, you're in good hands with the Figo Aspire. Our Hill Launch Assist system prevents roll back when making a hill start, holding the brake for a few seconds and giving you time to smoothly accelerate away.

Electronic Stability Program

The Figo Aspire's Electronic Stability Program (ESP) provides balance and control even in the roughest of conditions. The ESP system applies brake pressure to individual wheels to keep you safely on course and even enhances handling on tough terrains and traction on slippery surfaces.

Perimeter Alarm

The Figo Aspire's perimeter alarm detects any unauthorised attempt to enter your car and triggers an alarm, flashes the headlamps and parking lamps, and activates the theft indicator on the vehicle's instrument panel.

11

Accessories

12

Make your Figo Aspire even more unique with its range of accessories. We've got what you need when it comes to style.
